## **DUAL SUPPORT HOSE REEL**

### **Exceptional Stability for Rugged, Demanding Applications**

The Dual Support Reel utilizes the same technology as Lincoln's dependable 94000 reels. These new heavy-duty reels include a dual arm and dual pedestal to give the added stability needed for demanding environments.

The three-point bolt design on the support arm allows for easy installation of the delivery hose and provides instant access to the reel's working parts.

- Design based on the proven 94000 series reels
- Dual support from base to axle to roller outlet provides stability for applications with heavy vibration and impact
- Easy to install
