

LINCOLN

PROFESSIONAL TWO-SPEED 14.4 VOLT CORDLESS GREASE GUN

Lincoln's new, heavy-duty 14.4 Volt PowerLuber gives you the power to lubricate just about anything, anytime, anywhere.

- Two-speed switch for high-pressure or high-volume delivery
- Cycle indicator pin to monitor grease output
- "Smart" charging system delivers reliable power

All the features you need, including comfortable grip and balanced design; hook for shoulder strap; built-in hose and coupler holder; and a slim, compact carrying case.

Model 1444

THE BEST JUST GOT BETTER!

MAKE QUICK WORK OF ANY LUBRICATION JOB WITH THE 14.4 VOLT POWERLUBER

For years, Lincoln's PowerLuber has been the favorite of technicians, mechanics, maintenance crews, farmers and others for almost every lubrication and preventative maintenance task imaginable, from the automotive, trucking and fleet industries to everyday applications in agriculture, construction and industry.

Now, we've made the best even better. PowerLuber's versatile two-speed design gives it the capability of two powerful tools in one. At the touch of a button, it can deliver high volumes of lubricant (10 oz. per minute) at medium pressure or a concentrated stream at high pressure (7500 psi working pressure*). We've also added a built-in stroke indicator to make it easy to measure total output.

Even with all that power, the long-lasting, high amperage 14.4 volt battery lets you work longer between recharges. When you do need to recharge, our high-tech "Smart" Charger does it in less than one hour. The "Smart" Charger even recognizes battery condition when not in use, and keeps your battery ready to go.

The 14.4 V PowerLuber's balanced design and padded grip make this tool comfortable and easy to use.

- 1. Multi-speed output selector****
Control the powerful two-speed transmission with just a push
- 2. Stroke cycle indicator pin**
Lets you monitor total output by touch
- 3. Motor overload protection**
Reset breaker protects motor from overload

- 4. Snap-lock, easy-loading battery**
Provides long lasting power to get the job done
- 5. Built-in hose and coupler holder**
Keeps hose and grease coupler secure when not in use
- 6. One hour "Smart" Charger**
Recognizes battery condition when not in use—keeps battery ready to go

Powerful 14.4 Volt High-Torque Motor
— 7,500 psi Working Output Pressure*
— 10 oz./min. Grease Output @ 1,000 psi

Machined and Hardened Piston

Slotted Powerhead Accepts Shoulder Strap
(Strap Sold Separately)

Includes Combination
Air Bleeder/Filler Valve

Accessibility Allows for
Easy Cleaning from
Contaminated Grease
Without Gun Disassembly

Plated Steel Barrel with
Exclusive Flip-Over Follower

30" High-Pressure Hose with
Spring Guard and Coupler

High-Capacity NiCd
14.4 Volt Battery

One-Hour "Smart" Charger
— Up to Eight Grease
Cartridges Dispensed
per Charge under
Free-flow Test Conditions

Packed in a heavy-duty compact case molded from impact- and stain-resistant plastic, model 1442 comes complete with the 14.4 V PowerLuber and battery, a 110 Volt one-hour "Smart" Charger (model 1410), and a 30" flex hose with spring guard (model 1230). Model 1444 includes an additional battery.

THE BEST JUST GOT BETTER!

GET THE MOST FROM YOUR 14.4 VOLT POWERLUBER WITH QUALITY LINCOLN ACCESSORIES

14.4 Volt Battery Model 1401

- Have a second 14.4 Volt battery charged and ready to go so you can keep working without delays (Comes standard with Model 1444)

Model 1401

Model 1410

Battery Charger Model 1410

- "Smart" Charger recharges batteries in less than one hour, and keeps them at full charge, ready when you need them.

Battery Charger Model 1415A

- DC Field Charger
