WARRANTY**

Lincoln's New 40:1 Pump

Features and Benefits

- Professional quality lubrication at an affordable price
- High pressure
- Portable medium- to light-duty chassis lubrication
- Proven valved piston design
- Simple grease plunger/bushing
- Control valve and universal swivel
- Easy, one-hand operation
- Built for durability and reliability

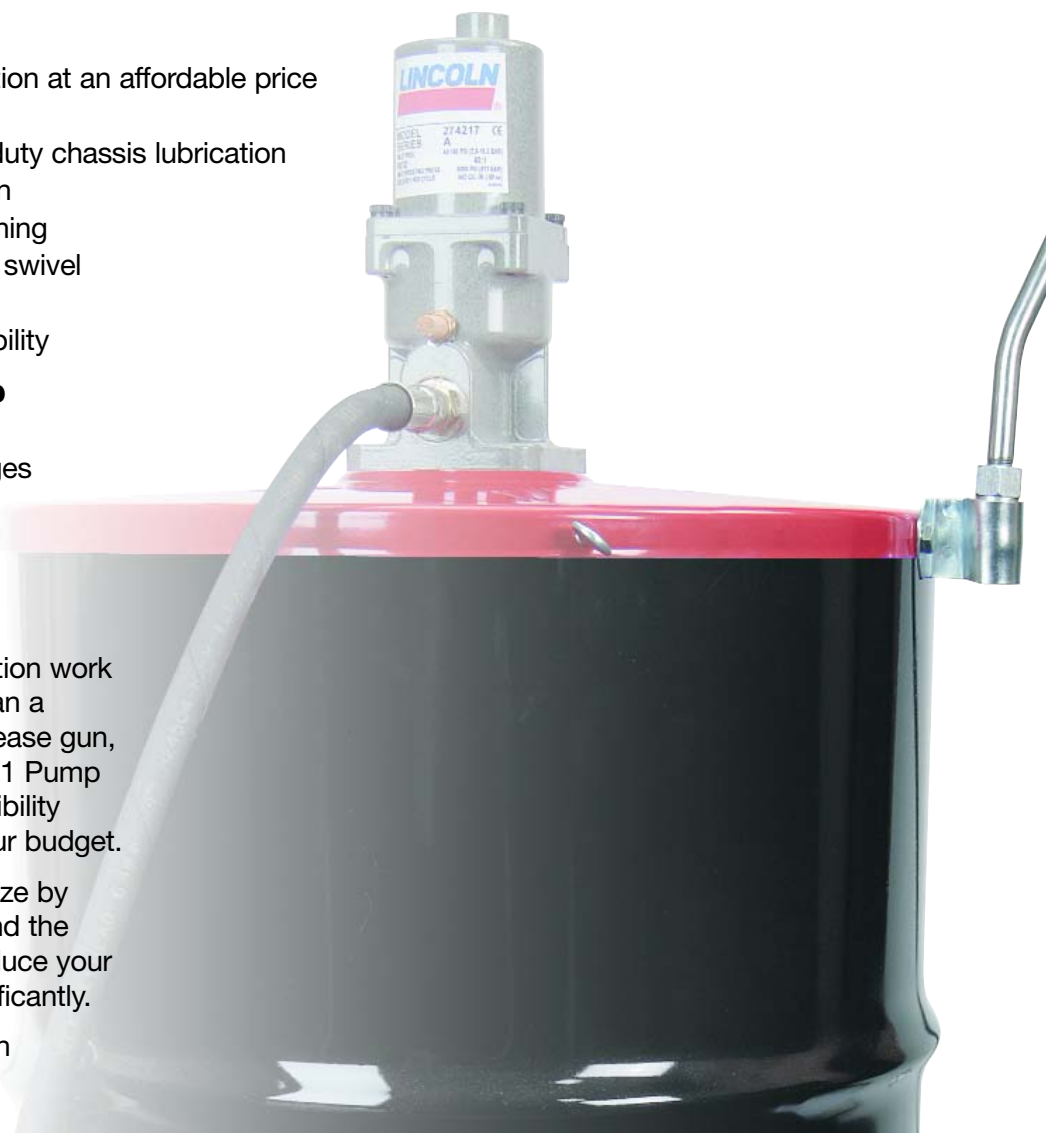

This value-priced pump is perfect for...

- Medium to low traffic garages
- Farmers
- Oil distributors and jobbers
- Shop owners
- Automobile dealers

When your volume of lubrication work is enough to require more than a hand- or battery-powered grease gun, a system built around the 40:1 Pump gives you the power and flexibility you need without busting your budget.

Add in the savings you'll realize by purchasing grease in bulk, and the durable 40:1 Pump could reduce your overall lubrication costs significantly.

Contact your stocking Lincoln distributor for details.
