75' DUAL SUPPORT HOSE REEL

- The 75' Dual Support Hose Reel is designed based on the proven 9400DS series reels with the added feature of greater hose length
- The heavy-duty reel includes a dual arm and dual pedestal that gives the needed foundation for demanding environments
- Dual support from base to axle to roller outlet provides stability for applications with heavy vibration and impact
- Easy to install
- Assembled reels come with 75' delivery hose, ball stop and 2' inlet hose
- For use in high ceiling, fleet and municipalities, mining workshops and applications requiring shared reel banks
