Lincoln Reels—Dependable Quality for Multiple Applications

Lincoln reels are part of a complete solution for professional vehicle service facilities, mobile service applications, industrial manufacturing and process industries.

94000

Lincoln’s Fluid Reel Series (LFR) incorporates both new and proven design features and capabilities.

• Advanced design provides consistent, repetitive performance.
• Top-of-the-line features in our most popular reel.
• Engineered for durability and reliability.
• Low-, medium- and high-pressure models available.

94000DS

The Dual Support Reel utilizes the same technology as Lincoln’s dependable 94000 reels. These new heavy-duty reels include a dual arm and dual pedestal support to give the added stability needed for demanding environments.

The three-point bolt design on the support arm allows for easy installation of the delivery hose.

82206

Our toughest, long-life reels, the Heavy-Duty Series provides reliable operation in the most demanding conditions.

For use with 30’, 40’ or 50’, low-, medium- or high-pressure hoses.

THE BRAND THE PROS DEMAND

Lincoln’s Fluid Reel Series (LFR) incorporates both new and proven design features and capabilities.

• Advanced design provides consistent, repetitive performance.
• Top-of-the-line features in our most popular reel.
• Engineered for durability and reliability.
• Low-, medium- and high-pressure models available.

Lincoln’s new meters have a working pressure of 1,500 psi

• Units of measure include quarts, gallons and liters
• Operators can choose from a rigid pipe or flexible hose extension
• Removable filter screen in the swivel captures contaminants
• Ball-bearing swivel on all units
• Unique ergonomic design allows for easy, comfortable use
• 5-year warranty

LINCOLN’S NEW 8 GPM 12 GPM METER SERIES

Lowest Cost of Ownership Coupled with the Best Warranty in the Industry

• 908 mechanical and electronic meters and 912 electronic meters
• Lincoln’s new meters have a working pressure of 1,500 psi
• Units of measure include quarts, gallons and liters
• Operators can choose from a rigid pipe or flexible hose extension
• Removable filter screen in the swivel captures contaminants
• Ball-bearing swivel on all units
• Unique ergonomic design allows for easy, comfortable use
• 5-year warranty
Lincoln’s new meter offerings utilize a unique new design to deliver exceptionally high flow rates. Coupled with the high 1,500 psi operating pressure, these meters decrease dispense time and help increase productivity.
